

WASHOUT RESPONSIBILITIES

Responsibilities for Washout Coordinators:

1. Confirm state of courts with Home Court Supervisor/Washout Coordinator
2. If courts are unplayable arrange for washed out matches to be entered into trols system 45 minutes prior to scheduled commencement of play.

Responsibilities of Home Team Manager:

1. Check trols to see if a washout has been declared approx 45 minutes prior to scheduled match. If it has been declared, confirm players' names in correct order with appropriate home club person for entry into trols system. Each club will enter their own names. Names can be entered into trols using the "By Phone" icon. Names are to be entered in graded order.
2. If washout has not been recorded by home venue, travel to venue.

Responsibilities of Away Team Manager:

1. Check trols to see if a washout has been declared approx 45 minutes prior to scheduled match. If it has been declared, confirm players' names in correct order with appropriate club person for entry into trols system. Each club will enter their own names. Names can be entered into trols using the "By Phone" icon. Names are to be entered in graded order.
2. If washout has not been recorded by home venue, travel to venue.

Responsibilities of Parents/Players

1. Check trols to see if a washout has been declared approx 45 minutes prior to scheduled match. If it has been declared, you do not have to attend match.
2. If washout has not been recorded by home venue, travel to venue.
